

# CURRICULUM VITAE

## ADDRESS

- NAME : TISSEYRE,
- First name : Bruno
- Birth date : february 14th 1968 (France)
- Nationality : french
- GRADE : Maître de conférence (associate professor) 1st class,
- PROFESSIONNAL ADDRESS : Chaire de Génie Rural, Montpellier SupAgro, 2 Place Pierre Viala 34060 Montpellier Cedex. Tel: +33-499-61-23-35 - Fax : +33-499-61-24-36, Email : [tisseyre@supagro.inra.fr](mailto:tisseyre@supagro.inra.fr)

## CARREER

- **1993**, nationwide competitive examination for admission as **lecturer** at agricultural engineering university of Montpellier.
- **1996, associate professor** in agricultural engineering, Montpellier SupAgro, National Institute for Higher Education in Agriculture and Natural Resources - France (nationwide examination).
- **2003, sabbatical** at the faculty of agriculture of the University of Sydney (Australian centre for precision agriculture).

## TEACHING

**Precision agriculture, topometry, GIS and Remote sensing** (M Sc, specialisation : information technology applied to agriculture and environment : argotic, [www.agrotic.org](http://www.agrotic.org))

**Farm machinery essentially applied to viticulture** (M. Sc, specialisation viticulture-oenology of university of Montpellier – Master of university of Mendoza (argentina) – Master of university of montevideo (uruguay)).

## RESEARCH

- **Precision viticulture** (head of a European project Eureka funded by the french research ministry; partners : Pellenc company, vine institute of Navarra (spain), « Chivite » wine company (spain) : data fusion, expert reasonning modelisation applied to within field data).
- **Remote sensing applied to viticulture** (head of national project dedicated to the use of remote sensing images – within vineyard variability determination, image calibration, etc.)
