

On Saturday afternoon two possible tours will be offered.

Please notice that these tours are included in the Conference fee, but the available places are very few, because of Covid rules. Participants will be therefore asked to book in advance.

- 1. Guided tour (in English) of the Leonardo da Vinci Galleries in the Museo Nazionale Scienza e Tecnologia Leonardo da Vinci.** This permanent exhibition is the largest in the world dedicated to Leonardo engineer and humanist.

Front view of the Castle, Rondanini Pietà, Wikipedia

- 2. Guided tour (in English) of the Sforza's Castle and Michelangelo's Rondanini Pietà**

Built in the 15th century by Francesco Sforza, Duke of Milano, the castle was then renovated and enlarged and today it houses several museums, collections, the city archives and library. The tour includes walking on the battlements. In the Pietà Rondanini Museum one can admire the famous unfinished masterpiece of the old Michelangelo.
